Way-finding signage
with a personality.

Fresh.

Take a new look at way-finding signage. Whimsical and unique, our signage helps people find the way, and lightens their spirits at the same time.

Multilingual.

¿No habla? No problem. Our icons are quickly and clearly understood by everyone. They're great for anywhere diversity rules.

Choices.

With 30 stock designs and multiple options for popular messages, you can fit your signs to your culture. Don't see what you need? We'll make it. On orders of four signs or more we can bring your sketch or idea to life.

Tested.

Our signs are already hanging in more than 1,000 places worldwide, including corporate offices, schools, hospitals, airports, retail stores, restaurants, hotels and more.

We're the corporate standard at Plante & Moran and GE Consumer. And you can see us at British Airways, 3M, BCBS, Stream, Haworth, Tom Douglas Restaurants and San Jacinto College, to name a few.

Easy.

Just two screws hold the sturdy aluminium bracket in place. Then the lightweight signs simply slip on.

Visible.

Projecting out from the wall, our signs can be spotted from either direction and can be read either way.

Ready.

Don't see what you're looking for? Call us. We'll be happy to work with you on custom signs.
